M.J. International Co., Ltd.

2024 Business Report

In 2024, global dynamics were marked by major shifts in political landscapes, easing inflation, monetary policy adjustments, and rising geopolitical risks across key economies like Europe and the United States. In response to this uncertainty and volatility, M.J. Group was committed to efficient resource allocation to fully meet customer demands. With the concerted efforts of the management team and all employees, the Company worked diligently to reverse the losses experienced in 2023. In addition to actively optimizing costs, M.J. continued to develop new products to enhance competitiveness. While consolidating its presence in the European market, the Company also actively pursued new customers in North America, boosting business momentum in the region. These strategic actions are expected to begin yielding tangible results in 2025.

I. Overview

In 2024, the Company's consolidated annual revenue was NT\$3,861,337 thousand, a 45.47% increase compared to NT\$2,654,401 thousand in 2023. The significant growth was primarily driven by American mass retailers and import distributors continuing to shift their sourcing away from China and increasing cooperation with alternative supply chains. In addition, the ramp-up of production capacity at the Tainan factory further fueled revenue growth in the North American market.

II. Implementation results of business plan

In the 2024 consolidated financial report, operating revenue was NT\$3,861,337 thousand; cost of goods sold was NT\$3,215,754 thousand; gross profit was NT\$645,583 thousand, resulting in a gross margin of 17%. Net income attributable to the parent company was NT\$135,185 thousand, with a net margin of 3%. A comparison with 2023 is provided below:

Unit: NTD Thousand				
Item	2024	2023	Amount of increase (decrease)	Increase (decrease)
Revenue	3,861,337	2,654,401	1,206,936	45.47%
Gross Profit	645,583	442,432	203,151	45.92%
Profit (Loss) From Operations	197,593	31,732	165,861	522.69%
The net profit (loss) attributable to the Owners of the company after tax	135,185	(64,313)	199,498	310.20%

2024 Revenue increased by NT\$1,206,936 thousand compared to 2023. From a regional sales perspective, Europe and the U.S. remain the primary markets for resilient flooring. Europe accounted for 50.0% of total sales, continuing to be the Group's largest regional market. However, due to robust demand from U.S. clients, North America accounted for 37.4% of sales and was the main driver of the year's consolidated revenue growth. Other regions made up 5.5%; sales in China saw slight growth (2.9%), while sales in Taiwan slightly declined to 4.3%.

The growth in North American revenue validates the Group's recent regional diversification strategy. In 2025, M.J. aims to continue deepening its service for North American customers while actively exploring opportunities in the Japanese market and other regions.

III. Analysis on profitability

In 2024, the Company maintained the same gross margin level as the previous year at 17%, while reducing the operating expense ratio to 12%, a 4 percentage point improvement compared to 2023. Operating profit reached NT\$197,593 thousand. Furthermore, non-operating income and expenses totaled NT\$41,123 thousand, an increase of NT\$25,070 thousand over 2023. Net income attributable to owners of the parent company was NT\$135,185 thousand, with a net margin of 3.0%.

IV. Status of Research & Development

In 2024, M.J. Group actively promoted green building materials, such as lightweight SPC flooring that is energy-efficient and low-emission. These products are over 15% lighter than standard SPC, resulting in reduced carbon footprint, lower freight costs, increased container capacity, and added soundproofing features. In addition, the Company developed fully eco-friendly PET flooring using agricultural and industrial surplus resources combined with PET (non-PVC) materials. Invention patents have been secured in Taiwan, the U.S., and China, and green building material certification in Taiwan is underway. M.J. has also actively responded to increasing market demand for recyclable and eco-friendly PVC flooring by investing in R&D for flooring using recycled materials, attracting inquiries from European and U.S. brand clients. These green material initiatives clearly demonstrate M.J. Group's ambition to expand into the sustainable building materials market.

These developments highlight M.J.'s commitment to the sustainable building materials market. For sustainable growth, the Group is building a superior R&D environment to attract professional talent. Its advantages in new material development, production automation, and energy efficiency will continue to be reinforced. By integrating CSR and circular economy concepts, the Company aims to make better use of surplus resources from agriculture, forestry, and industry. M.J. is committed to the 4R principles: Reduce, Reuse, Recycle, and Replace, to developing more eco-friendly, low-carbon, and sustainable innovations.

V. Outlook

The year 2025 presents both challenges and opportunities for M.J. group. The Company faces dual challenges from U.S. tariffs and exchange rate fluctuations but is implementing proactive countermeasures. Although North American clients have become more cautious with orders—affecting short-term performance—the long-term trend among international brands and retailers to diversify beyond China remains unchanged. M.J.'s recent capacity diversification strategy, particularly the Tainan plant dedicated to SPC production, positions the Company to meet customers' global sourcing needs. M.J. is also deepening its cooperation with major North American mass retailers and expanding into online e-commerce channels, helping improve market adaptability through a multi-channel sales strategy.

Although the European market is affected by global uncertainty, signs of economic recovery in the Eurozone indicate mild order growth in the near term. M.J. is collaborating with key customers to co-develop a new series of stone-plastic flooring products, using differentiated designs to enhance competitiveness and meet specific market demands. Through close partnerships, the Company can better grasp market trends and ensure that its product design and functionality align with European consumer preferences.

Looking ahead to 2025, M.J. will continue to deepen its presence in Europe through innovative product development with major customers, while focusing on cost reduction and efficiency improvements in the U.S. market. Product differentiation and adjustments to product and client portfolios will help improve gross margins and competitiveness. With diversified market strategies, production base deployment, and innovation capabilities, M.J. is well-positioned to respond to external challenges. Moving forward, M.J. will continue to focus on optimizing its product mix and improving production efficiency, aiming for steady and sustainable growth in 2025.

M.J. has a long-standing history and deep technical expertise. The Company will continue optimizing organizational structure, strengthening collaboration with clients and suppliers, and reinforcing long-term competitiveness. Guided by its core values of Integrity, Diligence, Simplicity, and Prudence, M.J. believes that sustainable success is rooted in a strong foundation. We sincerely thank our shareholders for their continued trust and support. Amid a rapidly changing global environment, the management team and all employees are committed to delivering long-term value to shareholders and society, creating a competitive "blue ocean" market and generating lasting profits.

REPORT OF INDEPENDENT ACCOUNTANTS TRANSLATED FROM CHINESE

The Board of Directors and Shareholders
M. J. International Co., Ltd.

Opinion

We have audited the accompanying consolidated financial statements of M.J. International Co., Ltd. and its subsidiaries (collectively referred to as the “M.J. Group”), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the M.J. Group as of December 31, 2024 and 2023, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors’ Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the M.J. Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2024.

These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matters in the audit of the M.J. Group's consolidated financial statements for the year ended December 31, 2024 are stated below:

M.J. Group's consolidated revenue was \$3,861,337 thousand for the year of 2024. The occurrence of revenue from these customers is considered as a critical review in this year's consolidated financial statements. Please refer to Note 4(15) and Note 26 to the consolidated financial statements for the description of the revenue recognition policy.

Our audit procedures performed included the following :

1. Through understanding the design and implementation of the internal control over sales and collection cycle, we accordingly designed audit procedures on the internal control over sales and collection cycle, in order to confirm and evaluate the effectiveness of the M.J. Group's internal control over sales and collection cycle.
2. We selected appropriate samples from the sales transactions with the above-mentioned customer; reviewed shipment orders, invoices, bill of lading, and other customs documents; and verified remittance counterparties and cash receipts process, in order to confirm the occurrence of sales.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the M.J. Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the M.J. Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the M.J. Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatements of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the M.J. Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the M.J. Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the M.J. Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the M.J. Group to express an opinion on the

consolidated financial statements. We are responsible for the direction, supervision and performance of the M.J. Group audit. We remain solely responsible for our audit opinion. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2024 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Chiang-Shiun Chen and Chao-Mei Chen.

51. The proceedings regarding general meetings and the voting in general meetings not provided for in these Articles shall be governed by the internal rules of the Company, as adopted and amended by the Company by an Ordinary Resolution from time to time,

which shall be in compliance with the Law and the Applicable Listing Rules (in particular the Rules Governing the Conduct of Shareholders Meetings of R.O.C. Public Companies).

VOTES OF MEMBERS

52. Subject to any rights and restrictions as to voting for the time being attached to any Share by or in accordance with these Articles, at any general meeting, every Member present in person (or in the case of a Member being a corporation, by its duly authorised representative) or by proxy shall have one vote for each Share registered in his/her/its name in the Register.
53. In the case of joint Members, the joint Members shall select a representative among them to exercise their voting powers and the vote cast by such representative, whether in person or by proxy, shall be accepted to the exclusion of the votes of the other joint Members.
54. A Shareholder who holds Shares for the benefit of others need not use all his votes or cast all the votes he holds in the same way as he uses his votes in respect of Share he holds for himself. The qualifications, scope, methods of exercise, operating procedures and other requirements for separate votes shall be in compliance with the Applicable Listing Rules.
55. Any corporation which is a Member of the Company may, by resolution of its board or other governing body, authorise such natural person as it thinks fit to act as its representative at any general meeting or at any meeting of a Class of Members of the Company.
56. (1) Subject to the Law and the Applicable Listing Rules, Shares held by the following persons shall not be counted in the total number of issued Shares of the Company which are entitled to vote for when calculating the quorum at a general meeting and Members belonging to the following persons shall abstain from voting in respect of all Shares held by them:

Any and all votes cast by such Member(s) shall not be counted in determining the number of votes for or

against such matter.

- (3) Where any Director, who is also a Shareholder of the Company, creates or has created any charge, mortgage, encumbrance or lien in respect of Shares held by such Director (the "**Charged Shares**") exceeding fifty percent (50%) of total Shares held by such Director at the time of his/her latest appointment as Director, such Director shall refrain from exercising its voting rights on the Shares representing the difference between the Charged Shares and fifty percent (50%) of total Shares held by such Director at the time of his/her latest appointment as Director, and such Shares shall not carry the voting rights and shall not be counted toward the number of votes represented by the Shareholders present at a general meeting but shall be included in the quorum.
57. To the extent permitted by the Law, the Board may resolve that the voting power of a Member at a general meeting may be exercised by way of a written ballot or by way of electronic transmission. The method for exercising such voting power shall be described in the general meeting notice to be given to the Members if the voting power may be exercised by way of a written ballot or electronic transmission. Notwithstanding the foregoing, during the Relevant Period, subject to the Applicable Listing Rules, the Company shall adopt the electronic transmission as one of the methods for exercising the voting power of a Member. Any Member who intends to exercise his voting power by way of a written ballot or by way of electronic transmission shall serve the Company with his voting decision at least two (2) days prior to the date of such general meeting. Where more than one voting decision are received from the same Member by the Company, the first voting decision shall prevail, unless an explicit written statement is made by the relevant Member to revoke the previous voting decision in the later-received voting decision. A Member who exercises his voting power at a general meeting by way of a written ballot or by electronic transmission shall be deemed to have appointed the chairman of the general meeting as his proxy to vote his Shares at the general meeting only in the manner directed by his written instrument or electronic document. The chairman of the general meeting as proxy shall not have the power to exercise the voting rights of such Members with respect to any matters not referred to or indicated in the written or electronic document, impromptu proposal and/or any amendment to resolution(s) proposed at the said general meeting. For the purpose of clarification, such Members voting in such manner shall be deemed to have waived their voting rights with respect to any extemporary matters or amendment to resolution(s) proposed at the general meeting.
58. In case a Member who has cast his votes by a written instrument or by way of electronic transmission intends to attend the relevant general meeting in person, he shall, at least two (2) day prior to the date of the general meeting, revoke such votes by serving a notice in the same manner as he cast such votes. In the absence of a timely revocation of such votes, such votes shall remain valid.

59. (1) A Member may appoint a proxy to attend a general meeting on his behalf by executing a proxy form produced by the Company stating therein the scope of power authorized to the proxy. A proxy need not be a Member.
- (2) Subject to the Law and unless otherwise provided in these Articles, forms of

instrument of proxy for use at a general meeting shall be produced by the Company specifying therein (a) the instructions for filling out the form, (b) the matters to be entrusted by the Member or to be voted upon pursuant to such proxy, and (c) the basic information of the Member as appointor, the proxy and the proxy solicitor (if any) and shall be sent out together with the notice of general meeting to all Members on the same day.

60. A Member may only appoint one proxy for each general meeting irrespective of how many Shares he holds and shall serve an executed proxy in compliance with the preceding Article to the Company or its Shareholder Service Agent as the case may be no later than five (5) days prior to the date of the general meeting. In case the Company receives two or more proxies from one Member, the one received first by the Company shall prevail unless an explicit statement by the Member to revoke such proxy is made in the subsequent proxy, provided this subsequent proxy is received no later than five (5) days prior to the date of the general meeting.
61. In case a Member who has served a proxy intends to attend the relevant general meeting in person or to exercise his voting power by way of a written ballot or electronic transmission, he shall, at least two (2) days prior to the date of the general meeting, revoke such proxy by serving a separate written notice to the Company or Shareholder Service Agent. Otherwise, the votes cast by the proxy at the general meeting shall prevail.
62. A Member who has served the Company with his voting decision in accordance with Article 57 for the purpose of exercising his voting power by way of a written ballot or by way of electronic transmission may appoint a person as his proxy to attend the meeting in accordance with these Articles, in which case the vote cast by such proxy shall be deemed to have revoked his previous voting decision served on the Company and the Company shall only count the vote(s) cast by such expressly appointed proxy at the meeting.
63. During the Relevant Period, except for trust enterprises or shareholder service agencies duly licensed under the R.O.C. competent authorities or the chairman of a general meeting who is deemed appointed as proxy pursuant to Article 57, where a Person acts as a proxy for two or more Members, the number of voting Shares that the proxy may vote in respect thereof shall not exceed three percent (3%) of the total number of issued and outstanding voting Shares; otherwise, such number of voting Shares in excess of the aforesaid threshold shall not be counted towards the number of votes cast for or against the relevant resolution or the number of voting Shares present at the relevant general meeting but shall be included in the quorum. Upon such exclusion, the number of voting Shares being excluded and attributed to each Member represented by the same proxy shall be determined on a pro-rata basis based on the total number of voting Shares being excluded and the number of voting Shares that such Members have appointed the proxy to vote for.
64. The use and solicitation of proxies not provided for in these Articles shall be governed by the internal rules of the Company, as adopted and amended by the Board from time to time, which shall be in compliance with the Law and the Applicable Listing Rules (in particular, the Regulations Governing the Use of Proxies for Attendance at Shareholder Meetings of R.O.C. Public Companies (as amended, supplemented or otherwise modified from time to time)).

DIRECTORS AND THE BOARD

65. (1) The Board shall consist of not less than five (5) Directors (including Independent Directors). Subject to the foregoing, the number of Directors to be elected and hold the office shall be stated in the notice of the general meeting in which an election of Directors will be held.
- (2) A Director can be a natural person or a Juristic Person. Where a Director is a Juristic Person, it shall designate a natural person as its authorized representative to exercise, on its behalf, the powers of a Director and may replace such representative from time to time so as to fulfil its remaining term of the office. A Director shall not be required to hold any Shares in the Company.
- (3) Directors shall be elected by Members at general meetings. Any Juristic Person which is a Member shall be entitled to appoint a natural person or natural persons as its representative(s) to be nominated for election as Director in accordance with these Articles.
- (4) The principle of cumulative voting shall apply in any election of Directors pursuant to this Article. Each Member entitled to vote in such election shall have a number of votes equal to the product of (a) the number of votes conferred by such Member's Shares and (b) the number of Directors to be elected at the general meeting. Each Member may divide and distribute such Member's votes, as so calculated, among any one or more candidates for the directorships to be filled, or such Member may cast such Member's votes for a single candidate. At such election, the candidates receiving the highest number of votes, up to the number of Directors to be elected, shall be elected. Notwithstanding anything to the contrary in this Paragraph (4) of this Article, at any time other than the Relevant Period, the Company may by Ordinary Resolution appoint any Person to be a Director or remove any Director from office.
- (5) The proceedings and the voting regarding the election of Directors not provided for in these Articles shall be governed by the internal rules of the Company, as adopted and amended by an Ordinary Resolution from time to time, which shall be in compliance with the Law and the Applicable Listing Rules (in particular, the Methods of Election of Directors and Supervisors of R.O.C. Public Companies).
66. The Company may, whenever it thinks fit, adopt and apply a candidate nomination mechanism for election of any of the Directors in accordance with the Applicable Listing Rules. Notwithstanding the foregoing, during the Relevant Period, a candidate nomination mechanism shall be adopted for election of all Directors. Upon adoption of candidate nomination mechanism, the Directors and Independent Directors shall be elected by the Members at a general meeting from among the nominees listed in the respective rosters of director candidates and independent director candidates. Subject to the Law and the Applicable Listing Rules, the Board may establish detailed rules and procedures for such candidate nomination.

67. Subject to these Articles, each Director shall be appointed to a term of office not exceeding three (3) years and is eligible for re-election. In case no election of new Directors is effected prior to the expiration of the term of office of existing Directors, the term of office of such existing Directors shall be extended until the time such Directors are re-elected or new Directors are duly elected and assume their office subject to these Articles. In the event of any vacancy in the Board, the new Director elected in the general meeting shall fill the vacancy for the residual term of office.
68. (1) Unless otherwise provided by these Articles, a Director may be removed from office at any time by a Special Resolution adopted at a general meeting.
- (2) Without prejudice to other provisions of these Articles, the Directors may be put up for re-election at any time before the expiration of the term of office of such Directors. In the event where all Directors are subject for re-election at a general meeting before the expiration of the term of office of such Directors, subject to the successful election of the new Directors at the same meeting, the term of office of all current Directors is deemed to have expired on the date of the re-election if the Members do not resolve that all current Directors will only retire at the expiration of their present term of office or any other date as otherwise resolved by the Members at the general meeting.
69. A chairman of the Board (the “**Chairman**”) shall be elected from among the Directors and appointed in term by a majority of the Directors present at a Board meeting attended by at least two-thirds of all of the Directors then in office. The Chairman shall externally represent the Company and internally preside as the chairman at every Board meeting and at every general meeting convened by the Board. In the event the Chairman is not present at a meeting or cannot or will not exercise his power and authority for any cause, he shall designate one of the Directors to act on his behalf. In the absence of such designation, the Directors present at the meeting shall elect from among themselves an acting chairman.
70. The remuneration of a Director may differ from other Directors, and shall be determined by the Board, regardless of the Company profits or losses of respective years, based on (a) the extent of a Director's involvement with the operations of the Company, (b) the contribution of a Director to the Company, (c) the prevailing industry standard and (d) such other relevant factors.
71. When the number of Directors then in office falls below five (5) due to any Director(s) vacating his office for any reason, the Company shall hold an election for such number of Directors at the next general meeting to fill the vacancy for the remainder of the term of such outgoing Director(s). When the number of Directors then in office falls short by one-third of the total number of Directors initially constituting the existing Board, the Company shall convene an extraordinary general meeting within sixty (60) days of the occurrence of that fact for the purposes of electing such number of Directors to fill the casual vacancy.
72. Subject to these Articles, a Director other than an Independent Director may hold any other office (except that of Auditor) or place of profit under the Company in conjunction

with his office of Director for such period and on such terms (as to remuneration and otherwise) as the Board may determine, and no Director or intending Director shall be disqualified by his office from contracting with the Company either with regard to his tenure of any such other office or place of profit nor shall any Director so contracting or being so interested be liable to account to the Company for any profit realised by any such contract or arrangement by reason of such Director holding that office or of the fiduciary relation thereby established.

73. (1) Without prejudice to the duties owed by a Director to the Company under common law of the Cayman Islands and subject to the Law, the Directors shall assume fiduciary duties to the Company and without limitation, the due care of a good administrator, exercise due care and skill and act in the best interest of the Company in conducting the business operation of the Company, including matters in connection with Spin-off, Consolidation, Merger, or acquisition of the Company. A Director may be liable to the Company if he acts contrary to his duties. In circumstances where a Director breaches any of such duties and acts for his/her or other Person's interest, the Company may, with the sanction of an Ordinary Resolution, take all such actions and steps as may be appropriate and to the maximum extent legally permissible to seek to recover any and all earnings derived from such act as if such misconduct is done for the benefit of the Company.
- (2) If a Director violates any law in the course of conducting the business of the Company, he shall be jointly and severally liable with the Company for the damages resulting from such violation.
- (3) The preceding two paragraphs of this Article shall apply, mutatis mutandis, to the officers of the Company who are authorised to act on its behalf in a senior management capacity.
74. Subject to these Articles, a Director other than an Independent Director may act by himself or his firm in a professional capacity for the Company (except that of Auditor), and he or his firm shall be entitled to remuneration for professional services as if he were not a Director.
75. To the extent permitted by the Law, the Company may pay, or agree to pay, a premium in respect of a contract insuring each of the following persons against risks determined by the directors, other than liability arising out of that person's negligence and/or dishonestly: an existing or former director (including alternate director), secretary or officer or Auditor of: the Company; a company which is a subsidiary of the Company; and a company in which the Company has or had an interest (whether direct or indirect).
76. During the Relevant Period, the qualifications, election, removal, power, authority and other requirements for Directors (including Independent Directors), which are not covered by these Articles, shall be in compliance with the Applicable Listing Rules.

INDEPENDENT DIRECTORS

77. (1) During the Relevant Period, the number of Independent Directors of the Company shall not be less than three (3) or one-fifth of the total number of Directors at any time,

whichever is greater. Two (2) of the Independent Directors shall have resident status of the R.O.C. (such resident status being registered with local government authorities) PROVIDED HOWEVER that the number of Independent Directors of the Company shall not be less than four (4) when the Chairman is also the general manager or holds an office equivalent to the general manager or when a spousal relationship or a familial relationship within the first degree of kinship as defined under the Civil Code of Taiwan exists between the Chairman and the general manager of the Company or between the Chairman and an officer equivalent to the general manager of the Company.

- (2) Subject to the foregoing, the number of Independent Directors to be elected and hold the office shall be stated in the notice of the general meeting in which an election of Independent Directors will be held. When an Independent Director ceases to act, resulting in a number of Independent Directors then in office lower than the prescribed minimum number, an election for an Independent Director shall be held at the next general meeting. When all Independent Directors cease to act, the Company shall convene an extraordinary general meeting to hold an election of Independent Directors within sixty (60) days from the date on which the situation arose.

78. Independent Directors shall possess professional knowledge and shall maintain independence within the scope of their directorial duties, and may not have any direct or indirect interest in the Company. The professional qualifications, restrictions on shareholdings and concurrent positions held by the Independent Directors shall be as prescribed by the Applicable Listing Rules, and the assessment of independence of such Independent Directors shall be in compliance with the Applicable Listing Rules. The Board or other Persons calling a general meeting at which an election for Independent Directors is proposed shall ensure that the requirements of this Article have been satisfied and complied with in relation to any candidate for Independent Director.

POWERS AND DUTIES OF THE BOARD

79. (1) Subject to the Law, these Articles, the Applicable Listing Rules and any resolutions passed in a general meeting, the business of the Company shall be managed by the Board in such manner as it shall think fit, which may pay all reasonable expenses in connection with business management, including but not limited to expenses incurred in forming and registering the Company and may exercise all powers of the Company.
- (2) If the Board fails to comply with the Applicable Listing Rules, these Articles and any resolutions passed in a general meeting in dealing with matters in connection with Spin-off, Consolidation, Merger, or acquisition of the Company, as a result of which the Company suffers damages, any Director involved in decision-making related thereto shall be liable to the Company in respect of the damages suffered by the Company. However, a Director may be exempted from the liability if the minutes of the Board meeting or written statement demonstrates such Director's dissent.
- (3) Except as otherwise provided by these Articles, the compensation to be paid to the Directors shall be determined by the Board in accordance with the standard prevalent in the industry by reference to recommendation made by the remuneration committee (if established). Such compensation shall be deemed to accrue from day to day, and the

Directors shall also be entitled to be paid their travelling, hotel and other expenses properly incurred by them in going to, attending and returning from Board meetings of the Directors, or any committee established under Article 82, or general meetings of the Company, or otherwise in connection with the business of the Company, or to receive a fixed allowance in respect thereof as may be determined by the Board from time to time, or a combination partly of one such method and partly the other.

80. The Board may from time to time appoint any Person to hold such office in the Company as the Board may think necessary for the management of the Company, including but not limited to officers and managers, and for such term and at such remuneration as the Board may think fit. Any Person so appointed by the Board may be removed by the Board.
81. 5.1.1 Unless otherwise stipulated by laws or the articles of association, the company's shareholders' meeting shall be convened by the Board of Directors. If the company convenes a virtual-conference of the Shareholders' Meeting, it shall be approved by the resolution of the Board of Directors with the attendance of more than two-thirds of directors and the consent of more than half of directors. Changes in the method of convening the company's Shareholders' Meeting by the Board of Directors shall be subject to the resolution of the board meeting, and a notice must be sent before the Shareholders' Meeting is held at the latest. If the Board of Directors or other convening authority convenes a Shareholders' Meeting, it may request the company or the company's stock affairs agency to provide a register of shareholders.

5.1.2 This Corporation shall prepare electronic versions of the shareholders meeting notice and proxy forms, and the origins of and explanatory materials relating to all proposals, including proposals for ratification, matters for deliberation, or the election or dismissal of directors or supervisors, and upload them to the Market Observation Post System (MOPS) before 30 days before the date of a regular shareholders meeting or before 15 days before the date of a special shareholders meeting. This Corporation shall prepare electronic versions of the shareholders meeting agenda and supplemental meeting materials and upload them to the MOPS before 21 days before the date of the regular shareholders meeting or before 15 days before the date of the special shareholders meeting. transmission of these electronic files shall be made by 30 days before the regular shareholders meeting. In addition, before 15 days before the date of the shareholders meeting, this Corporation shall also have prepared the shareholders meeting agenda and supplemental meeting materials and made them available for review by shareholders at any time. The meeting agenda and supplemental materials shall also be displayed at this Corporation and the professional shareholder services agent designated thereby.

This Corporation shall make the meeting agenda and supplemental meeting materials in the preceding paragraph available to shareholders for review in the following manner on the date of the shareholders meeting:

For physical shareholders meetings, to be distributed on-site at the meeting.

For hybrid shareholders meetings, to be distributed on-site at the meeting and shared on the virtual meeting platform.

For virtual-only shareholders meetings, electronic files shall be shared on the virtual meeting platform.

- 5.1.3 During the periods other than the listing period, the shareholders shall be informed 5 days in advance in writing notice for the convening of the shareholders' meeting. However, up on the prior or simultaneous unanimous consent of the whole shareholders, such notice may be waived. Such notice and consents may be delivered electronically. During the periods other than the listing period, with the consents of more than a half of the shareholders with rights to attend the meetings and voting rights, who represent 95% of the issued shares, the notice of shareholders' meeting may be given in a shorter time, or be waived at all.
- 5.1.4 The reasons for convening a shareholders' meeting shall be specified in the meeting notice and public announcement. With the consent of the addressee, the meeting notice may be given in electronic form.

None of the above matters may be raised by an extraordinary motion. The essential contents may be posted on the website designated by the competent authority in charge of securities affairs or the company, and such website shall be indicated in the above notice.

5.1.6 Shareholder(s) holding one percent (1%) or more of the total number of the Company's outstanding shares may propose to the Company a motion for discussion at a general shareholders' meeting, provided that only one matter shall be allowed in each single motion, and in case a motion contains more than one matter, such motion shall not be included in the agenda. Where the motion proposed by the shareholders meets any of the circumstances referred to in Paragraph 4 of Article 172-1 of the Company Act, the Board of Directors may not include the motion in the agenda.

5.1.7 Prior to the book closure date before a regular shareholders' meeting is held, The Company shall publicly announce that it will receive shareholder proposals, by correspondence or electronic means and the location and time period for their submission; the period for submission of shareholder proposals may not be less than 10 days.

5.1.8 Shareholder-submitted proposals are limited to 300 words, and no proposal containing more than 300 words will be included in the meeting agenda. The shareholder making the proposal shall be present in person or by proxy at the regular shareholders' meeting and take part in discussion of the proposal.

5.1.9 Prior to the date for issuance of notice of a shareholders meeting, the Company shall inform the shareholders who submitted proposals of the proposal screening results, and shall list in the meeting notice the proposals that conform to the provisions of this article. At the shareholders meeting the board of directors shall explain the reasons for exclusion of any shareholder proposals not included in the agenda.

5.1.10 If re-election of the Board (including independent directors) and the date of appointment thereof are both stated clearly on the reasons for convening a shareholders' meeting, then the date of appointment shall not be changed by extempore motion or other means during the same meeting after the re-election of the Board is completed.

5.2 Proxy Form of the Shareholders' Meeting

5.2.1 For each shareholders' meeting, a shareholder may appoint a proxy to attend the meeting by providing the proxy form issued by this Corporation and stating the scope of the proxy's authorization.

5.2.2 A shareholder may issue only one proxy form and appoint only one proxy for any given shareholders' meeting, and shall deliver the proxy form to this Corporation before 5 days before the date of the shareholders' meeting. When duplicate proxy forms are delivered, the one received earliest shall prevail unless a declaration is made to cancel the previous proxy appointment.

5.2.3 After a proxy form has been delivered to this Corporation, if the shareholder intends to attend the meeting in person or to exercise voting rights by correspondence or electronically, a written notice of proxy cancellation shall be

submitted to this Corporation before 2 business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail.

5.2.4 After a proxy form is delivered to this Corporation, a shareholder wishes to attend the shareholders meeting online, a written notice of proxy cancellation shall be submitted to this Corporation two business days before the meeting date. If the cancellation notice is submitted after that time, votes cast at the meeting by the proxy shall prevail.

5.3 Place of the Shareholders' Meeting

The venue for a shareholders meeting shall be the premises of this Corporation, or a place easily accessible to shareholders and suitable for a shareholders meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m. Full consideration shall be given to the opinions of the independent directors with respect to the place and time of the meeting.

The restrictions on the place of the meeting shall not apply when this Corporation convenes a virtual-only shareholders meeting.

5.4 Notice, Register of Attendance, Proxy, and Signing-in

5.4.1 This Corporation shall specify in its shareholders meeting notices the time during which attendance registrations for shareholders, solicitors and proxies (collectively "shareholders") will be accepted, the place to register for attendance, and other matters for attention.

5.4.2 The time during which shareholder attendance registrations will be accepted, as stated in the preceding paragraph, shall be at least 30 minutes prior to the time the meeting commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel assigned to handle the registrations. For virtual shareholders meetings, shareholders may begin to register on the virtual meeting platform 30 minutes before the meeting starts. Shareholders completing registration will be deemed as attend the shareholders meeting in person.

5.4.3 Shareholders and their proxies (collectively, "shareholders") shall attend shareholders' meetings based on attendance cards, sign-in cards, or other certificates of attendance. This Corporation may not arbitrarily add requirements for other documents beyond those showing eligibility to attend presented by shareholders. Solicitors soliciting proxy forms shall also bring identification documents for verification.

5.4.4 This Corporation shall furnish the attending shareholders with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in. This Corporation shall furnish attending shareholders with the meeting agenda book, annual report (applicable during the listing period), attendance card, speaker's slips, voting slips, and other meeting materials. Where there is an

election of directors or supervisors, pre-printed ballots shall also be furnished.

5.4.5 When the government or a juristic person is a shareholder, it may be represented by more than one representative at a shareholders meeting. When a juristic person is appointed to attend as proxy, it may designate only one person to represent it in the meeting.

5.4.6 In the event of a virtual shareholders meeting, shareholders wishing to attend the meeting online shall register with this Corporation two days before the meeting date.

5.4.7 In the event of a virtual shareholders meeting, this Corporation shall upload the meeting agenda book, annual report and other meeting materials to the virtual meeting platform at least 30 minutes before the meeting starts, and keep this information disclosed until the end of the meeting.

5.5 The Shareholders' Meetings Are Convened by the Board of Directors

5.5.1 If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairperson of the board. When the chairperson of the board is on leave or for any reason unable to exercise the powers of the chairperson, the vice chairperson shall act in place of the chairperson; if there is no vice chairperson or the vice chairperson also is on leave or for any reason unable to exercise the powers of the vice chairperson, the chairperson shall appoint one of the managing directors to act as chair, or, if there are no managing directors, one of the directors shall be appointed to act as chair. Where the chairperson does not make such a designation, the managing directors or the directors shall select from among themselves one person to serve as chair.

5.5.2 When a managing director or a director serves as chair, as referred to in Article 5.5.1, the managing director or director shall be one who has held that position for six months or more and who understands the financial and business conditions of the company. The same shall be true for a representative of a juristic person director that serves as chair.

5.5.3 It is advisable that shareholders' meetings convened by the board of directors be chaired by the chairperson of the board in person and attended by a majority of the directors, at least one supervisor in person, and at least one member of each functional committee on behalf of the committee. The attendance shall be recorded in the meeting minutes. If a shareholders' meeting is convened by a party with power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chair from among themselves.

5.5.4 The Company may appoint its attorneys, certified public accountants, or related persons retained by it to attend a shareholders meeting in a non-voting capacity.

5.5.5 To convene a virtual shareholders meeting, this Corporation shall include the

follow particulars in the shareholders meeting notice:

- (1)How shareholders attend the virtual meeting and exercise their rights.
- (2)Actions to be taken if the virtual meeting platform or participation in the virtual meeting is obstructed due to natural disasters, accidents or other force majeure events, at least covering the following particulars:
 - (2-1)To what time the meeting is postponed or from what time the meeting will resume if the above obstruction continues and cannot be removed, and the date to which the meeting is postponed or on which the meeting will resume.
 - (2-2)Shareholders not having registered to attend the affected virtual shareholders meeting shall not attend the postponed or resumed session.
 - (2-3)In case of a hybrid shareholders meeting, when the virtual meeting cannot be continued, if the total number of shares represented at the meeting, after deducting those represented by shareholders attending the virtual shareholders meeting online, meets the minimum legal requirement for a shareholder meeting, then the shareholders meeting shall continue. The shares represented by shareholders attending the virtual meeting online shall be counted towards the total number of shares represented by shareholders present at the meeting, and the shareholders attending the virtual meeting online shall be deemed abstaining from voting on all proposals on meeting agenda of that shareholders meeting.
 - (2-4)Actions to be taken if the outcome of all proposals have been announced and extraordinary motion has not been carried out.
- (3) When convening a video-conference Shareholders' Meeting, it is necessary to specify the appropriate alternative measures provided by the company for shareholders who have difficulties with this video-conference method. Except for the circumstances stipulated in Item 6 of Article 44-9 of "Regulations Governing the Administration of Shareholder Services of Public Companies", it shall at least provide shareholders with connection equipment and necessary assistance, and specify the period during which shareholders can apply to the company and other relevant matters for attention.

5.6 Documentation of a shareholders' meeting by audio or video

5.6.1 The Company, beginning from the time it accepts shareholder attendance registrations, shall make an uninterrupted audio and video recording of the registration procedure, the proceedings of the shareholders meeting, and the voting and vote counting procedures. However, during the listing period, the recording shall be uninterrupted for whole times.

5.6.2 The recorded materials of Article 5.6.1 shall be retained for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company

Act, the recording shall be retained until the conclusion of the litigation.

- 5.6.3 Where a shareholders meeting is held online, this Corporation shall keep records of shareholder registration, sign-in, check-in, questions raised, votes cast and results of votes counted by this Corporation, and continuously audio and video record, without interruption, the proceedings of the virtual meeting from beginning to end.

The information and audio and video recording in the preceding paragraph shall be properly kept by this Corporation during the entirety of its existence, and copies of the audio and video recording shall be provided to and kept by the party appointed to handle matters of the virtual meeting.

5.7 Calculation of the Attending Shares of the Shareholders Meetings

- 5.7.1 Attendance at shareholders meetings shall be calculated based on numbers of shares. The number of shares in attendance shall be calculated according to the shares indicated by the attendance book and sign-in cards handed in, and the shares checked in on the virtual meeting platform, plus the number of shares whose voting rights are exercised by correspondence or electronically.

- 5.7.2 The chair shall call the meeting to order at the appointed meeting time and disclose information concerning the number of nonvoting shares and number of shares represented by shareholders attending the meeting.

However, when the attending shareholders do not represent a majority of the total number of issued shares, the chair may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements and the attending shareholders still represent less than one third of the total number of issued shares, the chair shall declare the meeting adjourned. In the event of a virtual shareholders meeting, this Corporation shall also declare the meeting adjourned at the virtual meeting platform.

If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution and another shareholders meeting shall be convened within one month.

- 5.7.3 In the event of a virtual shareholders meeting, shareholders intending to attend the meeting online shall re-register to this Corporation in accordance with Article 5.4.

5.8 Agenda of the Shareholders' Meeting

- 5.8.1 If a shareholders' meeting is convened by the Board of Directors, the meeting

agenda shall be set by the Board of Directors. Relevant proposals (including extempore motion and the amendment to original agenda) shall be passed on a one agenda by one agenda basis. The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders' meeting.

5.8.2 The provisions of the Article 5.8.1 apply *mutatis mutandis* to a shareholders meeting convened by a party with the power to convene that is not the board of directors.

5.8.3 The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the Article 5.8.1 and 5.8.2 (including extraordinary motions), except by a resolution of the shareholders meeting. If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the board of directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

5.8.4 The chair shall allow ample opportunity during the meeting for explanation and discussion of proposals and of amendments or extempore motions put forward by the shareholders; when the chair is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chair may announce the discussion closed and call for a vote where appropriate voting time shall be arranged.

5.9 Shareholder Speech

5.9.1 Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

5.9.2 A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

5.9.3 Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. Unless the prior consent for the chair is obtained, the shareholders' speeches regarding the reports specified in the agenda, only start after all the reports are read by the chair or the designated persons by the chair. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chair may terminate the speech. Shall such violation be not stopped, or with other actions interrupting the meeting, the chair may take necessary treatment or judgement.

5.9.4 When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the

shareholder that has the floor; the chair shall stop any violation.

5.9.5 When a juristic person shareholder appoints two or more representatives to attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal.

5.9.6 After an attending shareholder has spoken, the chair may respond in person or direct relevant personnel to respond.

5.9.7 Where a virtual shareholders meeting is convened, shareholders attending the virtual meeting online may raise questions in writing at the virtual meeting platform from the chair declaring the meeting open until the chair declaring the meeting adjourned. No more than two questions for the same proposal may be raised. Each question shall contain no more than 200 words. The regulations in paragraphs 5.9.1 to 5.9.5 do not apply.

5.10 Voting of the Shareholders' Meeting

5.10.1 Voting at a shareholders' meeting shall be calculated based the number of shares.

5.10.2 With respect to resolutions of shareholders' meetings, the number of shares held by a shareholder with no voting rights shall not be calculated as part of the total number of issued shares. When a shareholder is an interested party in relation to an agenda item, and there is the likelihood that such a relationship would prejudice the interests of this Corporation, that shareholder may not vote on that item, and may not exercise voting rights as proxy for any other shareholder.

5.10.3 The number of shares for which voting rights may not be exercised under Article 5.10.2 shall not be calculated as part of the voting rights represented by attending shareholders.

5.10.4 With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as proxy by two or more shareholders, the voting rights represented by that proxy may not exceed 3 percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that percentage shall not be included in the calculation.

5.11 Voting of the Shareholders' Meeting

5.11.1 A shareholder shall be entitled to one vote for each share held, except when the shares are restricted shares or are deemed non-voting shares under paragraph 56.(1) of the Company Act.

5.11.2 When The Company holds a shareholders' meeting, it shall adopt exercise of voting rights by electronic means and may adopt exercise of voting rights by correspondence; when voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders

meeting notice. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived the rights with respect to the extempore motions and amendments to original proposals of that meeting; it is therefore advisable that The Company avoid the submission of extempore motions and amendments to original proposals.

- 5.11.3 The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their results of voting (including the statistical tallies of the numbers of votes), tallies of the numbers of votes for each candidate of director (independent director) if an election is held and shall be retained for the duration of the existence of The Company.
- 5.11.4 After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person or online, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to this Corporation, by the same means by which the voting rights were exercised, before two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.
- 5.11.5 Except as otherwise provided in the Company Act and in the Company's articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. Except as otherwise provided in the Company Act and in the Company's articles of incorporation, shall there be no objection to any proposal after the chair consult all the attending shareholders, it is deemed passed, with the same effect as the voting; if there is any objection, voting shall be conducted. However, the election of director shall abide by the Procedure of Directors' Election of the Company and relevant laws and regulations. At the time of a vote, for each proposal, the chair or a person designated by the chair shall first announce the total number of voting rights represented by the attending shareholders, followed by a poll of the shareholders. During the listing period, after the conclusion of the meeting, on the same day it is held, the results for each proposal, based on the numbers of votes for and against and the number of abstentions, shall be entered into the MOPS.
- 5.11.6 When there is an amendment or an alternative to a proposal, the chair shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.

5.11.7 Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chair, provided that all monitoring personnel shall be shareholders of this Corporation.

5.11.8 Vote counting for shareholders' meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. The ballots are not announced for voting (election included). Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the meeting, and a record made of the vote.

5.11.9 When this Corporation convenes a virtual shareholders meeting, after the chair declares the meeting open, shareholders attending the meeting online shall cast votes on proposals and elections on the virtual meeting platform before the chair announces the voting session ends or will be deemed abstained from voting.

5.11.10 In the event of a virtual shareholders meeting, votes shall be counted at once after the chair announces the voting session ends, and results of votes and elections shall be announced immediately.

5.11.11 When this Corporation convenes a hybrid shareholders meeting, if shareholders who have registered to attend the meeting online in accordance with Article 6 decide to attend the physical shareholders meeting in person, they shall revoke their registration two days before the shareholders meeting in the same manner as they registered. If their registration is not revoked within the time limit, they may only attend the shareholders meeting online.

5.11.12 When shareholders exercise voting rights by correspondence or electronic means, unless they have withdrawn the declaration of intent and attended the shareholders meeting online, except for extraordinary motions, they will not exercise voting rights on the original proposals or make any amendments to the original proposals or exercise voting rights on amendments to the original proposal.

5.12 Election of Directors in Shareholders' Meetings

5.12.1 The election of directors at a shareholders' meeting shall be held in accordance with the Procedure of Directors' Election of the Company, and the voting results shall be announced on-site immediately, including the names of those elected as directors and the numbers of votes with which they were elected.

5.12.2 During the listing period, the ballots for the election referred to in Article 5.12.1 shall be sealed with the signatures of the monitoring personnel and kept in proper custody for at least 1 year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation.

5.13 Minutes of Shareholders' Meetings

5.13.1 Matters relating to the resolutions of a shareholders' meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed in electronic form.

5.13.2 During the listing period, the Company may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS.

5.13.3 The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their results, and shall be retained for the duration of the existence of the Company.

5.14 Public Disclosure of the Number of the Solicited Shares/Proxied Shares, and the Resolutions of Shareholders' Meetings

5.14.1 On the day of a shareholders meeting, this Corporation shall compile in the prescribed format a statistical statement of the number of shares obtained by solicitors through solicitation, the number of shares represented by proxies and the number of shares represented by shareholders attending the meeting by correspondence or electronic means, and shall make an express disclosure of the same at the place of the shareholders meeting. In the event a virtual shareholders meeting, this Corporation shall upload the above meeting materials to the virtual meeting platform at least 30 minutes before the meeting starts, and keep this information disclosed until the end of the meeting.

During this Corporation's virtual shareholders meeting, when the meeting is called to order, the total number of shares represented at the meeting shall be disclosed on the virtual meeting platform. The same shall apply whenever the total number of shares represented at the meeting and a new tally of votes is released during the meeting.

5.14.2 If matters put to a resolution at a shareholders' meeting constitute material information under applicable laws or regulations or under Taiwan Stock Exchange Corporation (or GreTai Securities Market) regulations, this Corporation shall upload the content of such resolution to the MOPS within the prescribed time period.

5.14.3 In the event of a virtual shareholders meeting, this Corporation shall disclose real-time results of votes and election immediately after the end of the voting session on the virtual meeting platform according to the regulations, and this disclosure shall continue at least 15 minutes after the chair has announced the meeting adjourned.

5.14.4 When this Corporation convenes a virtual-only shareholders meeting, both the

chair and secretary shall be in the same location, and the chair shall declare the address of their location when the meeting is called to order.

5.15 Affairs of Shareholders' Meetings

5.15.1 Staff handling administrative affairs of a shareholders' meeting shall wear identification cards or arm bands.

5.15.2 The chair may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing the word "Proctor."

5.15.3 At the place of a shareholders' meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by the Company, the chair may prevent the shareholder from so doing.

5.15.4 When a shareholder violates the rules of procedure and defies the chair's correction, obstructing the proceedings and refusing to heed calls to stop, the chair may direct the proctors or security personnel to escort the shareholder from the meeting.

5.15.5 In the event of a virtual shareholders meeting, this Corporation may offer a simple connection test to shareholders prior to the meeting, and provide relevant real-time services before and during the meeting to help resolve communication technical issues.

5.15.6 In the event of a virtual shareholders meeting, when declaring the meeting open, the chair shall also declare, unless under a circumstance where a meeting is not required to be postponed to or resumed at another time under Article 44-20, paragraph 4 of the Regulations Governing the Administration of Shareholder Services of Public Companies, if the virtual meeting platform or participation in the virtual meeting is obstructed due to natural disasters, accidents or other force majeure events before the chair has announced the meeting adjourned, and the obstruction continues for more than 30 minutes, the meeting shall be postponed to or resumed on another date within five days, in which case Article 182 of the Company Act shall not apply.

For a meeting to be postponed or resumed as described in the preceding paragraph, shareholders who have not registered to participate in the affected shareholders meeting online shall not attend the postponed or resumed session.

5.15.7 For a meeting to be postponed or resumed under the 5.15.6 paragraph, the number of shares represented by, and voting rights and election rights exercised by the shareholders who have registered to participate in the affected shareholders meeting and have successfully signed in the meeting, but do not attend the postpone or resumed session, at the affected shareholders meeting, shall be counted towards the total number of shares, number of voting rights and

number of election rights represented at the postponed or resumed session.

5.15.8 During a postponed or resumed session of a shareholders meeting held under the 5.15.6 paragraph, no further discussion or resolution is required for proposals for which votes have been cast and counted and results have been announced, or list of elected directors and supervisors.

5.15.9 When this Corporation convenes a hybrid shareholders meeting, and the virtual meeting cannot continue as described in 5.15.6 paragraph, if the total number of shares represented at the meeting, after deducting those represented by shareholders attending the virtual shareholders meeting online, still meets the minimum legal requirement for a shareholder meeting, then the shareholders meeting shall continue, and not postponement or resumption thereof under the 5.15.6 paragraph is required.

Under the circumstances where a meeting should continue as in the preceding paragraph, the shares represented by shareholders attending the virtual meeting online shall be counted towards the total number of shares represented by shareholders present at the meeting, provided these shareholders shall be deemed abstaining from voting on all proposals on meeting agenda of that shareholders meeting.

5.15.10 When postponing or resuming a meeting according to the 5.15.6 paragraph, this Corporation shall handle the preparatory work based on the date of the original shareholders meeting in accordance with the requirements listed under Article 44-20, paragraph 7 of the Regulations Governing the Administration of Shareholder Services of Public Companies.
